## Summer 2017 Newsletter - President's Column

Greetings to Friends of Upper Shores Library,

It's good to see our stores and restaurants reopen as our Friends return home. Welcome back!

As always, June Schneider-Borup, Branch Manager, and Upper Shores Library staff have provided us with a variety of interesting programs and kindly offered assistance to patrons. In February, the Friends 2016 General Account and records were audited and accepted. In March, the **Glass Mug Paint Party** fundraiser, led by Patty Micca of Painting Waves, was held. In April, a reception was held for our Friends volunteers, including our 3 gardening groups. On May 31, Friends held a fundraising bus trip to Resorts Casino Hotel in Atlantic City to see the show '**Temptations Revue**'. Thanks go to Lisa DeNicholas and Gail Stefanelli for organizing the events and to all who joined us.

On May 2, several Friends members accompanied me at the **Ocean County Library Friends Leadership Meeting & Luncheon**. Topics included fundraising, membership, & advocacy; working together to strengthen & support Friends and the library; and getting ready for National Friends of the Library Week, October 15-22, 2017. Director Susan Quinn provided an update regarding future funding of all libraries. Advocacy is one of the goals of the Friends of the Upper Shores Library and I thank those of you who reached out to your legislators this spring to encourage continued funding. See page 3 if you wish to know more about how you can advocate for libraries.

Upcoming **Friends** fundraising events include an ongoing **Bake-Less Cake Sale** during the months of July and August. Please consider participating.

Psychics Kasandra, Harold, Maryanne Kremer and Joan Titsworth Marsteller will return for our **FRIENDS ANNUAL PSYCHIC FAIR** on Tuesday, August 15, from 1 - 4 pm and 5 - 8 pm. For registration details, see page 4.

Upper Shores Friends will be hosting a **Victorian Tea** fundraising event at 600 Main, a Tea Room in Toms River on Tuesday, September 12, at 12:30 pm. Please bring your friends and join us for a lovely afternoon. Registration details are on page 5.

Looking further ahead, two Ocean County-wide Library events are scheduled. The James J. Mancini Memorial author program is planning for author Jennifer Weiner {<http://www.jenniferweiner.com>} to speak in the evening of Saturday, September 9. The program is free and details will follow.

The next **OCL FRIENDS STEERING COMMITTEE MAH JONG& TOURNAMENT** is set for Wednesday, October 4. Free all day parking at the Ocean County Parking Garage on Hooper Ave. is available with a continuous shuttle service to the library. For registration details, see page 5.

Books sales chairperson Maryellen Garlick asks anyone who wishes to donate books to bring only a small number of books at a time to the library - **NO BOX LOADS!** Fiction (hardbacks only - within 5 years publication date/excellent condition/must have book jacket; children and adult books will be accepted); Nonfiction/topics: **Yes:** cookbooks, travel & popular topics, ex: sports, coffee table books, gardening, crafts (hardbacks only); **No:** history books, educational books, religion.

Our next Friends General Meeting is Wednesday, July 5, 2017, at 7 pm, with **The Men in Black** live music program to follow. I look forward to seeing you then.

Sincerely,

PS - please renew your Friends membership if you have not done so already

## Note From the Librarian

By June Schneider-Borup

### Summer Reads!

Welcome to Ocean County Library's 2017 Adult Summer Reading Program!

**Build a Better World - READ!** is the Summer Reading Program for adults ages 18 and up.

It's simple! Just read or listen to at least 5 books between now and September 11th. Keep track using the reading log (available online and at all Ocean County Library Branches).

Look for the 2017 Summer Reading link on our homepage—you can login or register there and also find links for recommended reading: the online version of our popular Book Page, plus suggestions from OCL & Book News!

Fill out the drawing ticket at the bottom of your bookmark and bring it to Upper Shores to be entered to win a prize.

**Take the challenge!**

### Whos's New @ Upper Shores?

We are ever so happy to have a great team of 2017 summer staff!

**Jane Schadl** is with us again this summer to provide excellent customer service at our Reference Desk. Jane is a Media Specialist at the Lucy N. Holman Elementary School in Jackson and an OCL veteran!

**Olivia Fritz** is our new S.A.I.L. Coordinator. She will be working with our teen volunteers throughout the summer, leading them in fun & helpful activities. I hear she is teen savvy, creative and has a strong initiative!

**And at our Circulation Desk** - Two part-time staff join us for the summer:

**Candida Rivera (Candi)** joins us again! A Media Specialist in Brick School District's Osbornville Elementary School, Candi's hobbies include reading, photography, cooking, yoga, and spending time with her ten year old daughter, Mia.

Please join me in welcoming **Hope Terrell!** Enjoy her short bio: A self-confessed history nerd, I hold a freshly-printed degree in History from Kean University. I enjoy all things history, including my family's as I fall down various rabbit holes attempting to trace my genealogy. When not obsessively tracking down my great-great-great grandparents, I can be found at home with a cup of hot tea and reading, knitting, or writing stories (or sometimes all three at once).

## *Friends of Upper Shores Library Newsletter*

*Upper Shores Library phone 732-793-3996*

***Friends, take notice! Remove this Special Insert page and Take Action!***

***We can't take Library funding for granted!***

From Dagmar Finkle, President, Friends of The Upper Shores Library

In October, our US Legislature will vote on the FY2018 budget. The proposed 2018 Federal Budget "*America First: A Budget to Make America Great Again*" **eliminates funding** the Institute of Museum and Library Services (IMLS) **which provides federal funds to the nation's libraries.**

Congressional leaders heard their constituents and recently supported library funding, but only through September 2017. Our concern now is whether funding will continue.

**NJ State Librarian, Mary Chute**, [<http://www.njstatelib.org>] is concerned there will be "negative consequences that cuts in LSTA and IMLS federal funding will have on numerous programs". View additional information on links included in the Constant Contact edition of this note.

**Susan Quinn, Library Director, Ocean County Library**, reminds us "*these are challenging times for libraries in our state and across the country. The Ocean County Library is strong due to its long history of conservative fiscal management, and focus on consolidation and shared services... We have the support of our Ocean County residents, the Ocean County Board of Chosen Freeholders, the Ocean County Library Commission and our Friends groups and Ocean County Library Foundation.*"

In March, **NJ Library Association [NJLA] Executive Director Patricia Tumulty** testified before the NJ Assembly Budget Committee, stating, "*It is true that the majority of funding for public libraries does come from local property taxes...And just last week [March], we learned that President Trump's proposed budget would eliminate the Institute of Museum and Library Services... which provides federal support to the NJ State Library. If President Trump's budget is passed, NJ will lose \$4,029,000 in federal funds...It is impossible to determine how we will survive if the federal budget is enacted with this severe cut.*"

**In order to advocate to maintaining funding for libraries, here are steps you can take:**

Write, email, or call your Congressional Representative, U.S. Senators, and NJ Assembly representatives and State Senators thanking them for passing the budget through September 2017 (see list on the back of this page).

**Encourage them to vote to support funding in the FY2018 Budget for key library services;** i.e. Talking Book and Braille Center (services to the blind and handicapped), statewide access to key databases and digital resources, help connect NJ libraries to the Internet through JerseyConnect, and support literacy initiatives for children and adults throughout the state.

- Communicate your story!
- WRITE A LETTER!  
YES, WITH PEN and PAPER, AN ENVELOPE AND A STAMP.  
Make your message personal, don't be shy – add your personal experiences.
- Phone calls and emails are also effective
- Social media and post cards are less effective
